

Re: OnTrac (a CBT based group program for Tweens and Teens with ADHD)

Your client _____ has registered to participate in the above-mentioned program. The family have made their decision based on the program information available in the ADHD WA's website.

The program is offered under Medicare's Better Access Initiative, namely Group Therapy (item 80120). The treatment is delivered weekly for seven weeks, from 5:00 pm to 7:00 pm on Wednesdays, during the school term. The seventh session is a complimentary Q&A session attended by the children and their parents.

You will receive a brief report at the end of the treatment.

If you feel that your client would benefit from this intervention, please provide a Mental Health Plan/referral stating the item number mention above.

If you would like further information, please do not hesitate to contact me on
